

Awaken the **WHY** Within

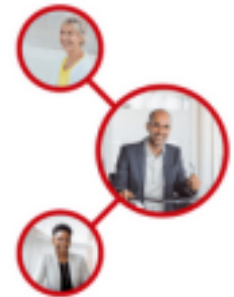

Team WHY.os

See **WHY** to **WHY**

Each team member will discover their **WHY**, **HOW**, and **WHAT**. The first step to internal alignment is understanding one another **WHY** to **WHY**. You will see your team and one another in an entirely new way.

You will respect one another's gifts, see how each of you operate, and how to become a well-oiled machine.

The Workshop

In this 3-hour workshop, your team will be taken through a full self-discovery from learning the 9 different **WHY**s, the brain biology behind the **WHY**, and how to define their own **WHY**.os. They will leave knowing how to articulate who they are and how they operate to the team.

Even better, the team will leave with a tangible understanding of each other, how to work together, and receive a full **WHY** Matrix of the team to keep for future reference.
